LIVING THE GOSPEL WITH THE HEART OF POPE FRANCIS BY DR. EDWARD SRI, Dr. Edward Sri is a renowned theologian, author, and professor at the Augustine Institute. In this presentation, Dr. Sri invites all Christians to embrace the call of Pope Francis to be missionary disciples in today's world. With contagious enthusiasm and insightfulness, Dr. Sri makes the Holy Father's message both accessible and actionable for people living in this day and age. *"This talk helped to dispel some of the fear that Pope Francis is being led to change the teachings of the church. It also made me aware of the fact that in all of my busyness to try and learn about the faith and be very active in the Church, my interior life and my relationship with Jesus is not being adequately attended to."* Judy-CA.

CD of the Week Winner: Colleen Moore-Reed, you may pick a CD of your choice in the Lighthouse stands.

STEWARDSHIP – A WAY OF LIFE Today's readings are about being chosen and sent. The prophet Amos was chosen by the Lord and sent to use his talents for the people of God. The Gospel recounts the story of the sending of the 12 disciples; and in the second reading, St. Paul reminds us that we, too, are chosen. For what have I been chosen? To whom have I been sent?

STEWARDSHIP THOUGHT Whatever time we have is a gift from God and we are asked to use it wisely, to serve God and others.
