STEWARDSHIP, A WAY OF LIFE: The watchword today is "immediately." Peter and Andrew, James, and John all respond *immediately* to the call of Christ. May I be as open to God's call and as ready to use my talents in His service as those first disciples were!

Stewardship THOUGHT: Stewardship involves the conscientious, firm decision, carried out constantly in action, to conduct one's self as a follower of Jesus, regardless of the cost.

Many families have willed their homes, vacation homes or other real estate to their parish. Some with the provision of living in those homes until death. Consult an attorney if this gift option would benefit you and your estate.
