THE RIGHT PERSPECTIVE, BY FR. MITCH PACWA, Fr. Mitch is a priest of the Society of Jesus, a highly respected scripture scholar and author, a regular host of EWTN Television and Radio, and the founder and president of Ignatius Productions—a Catholic teaching and media apostolate. Listen as Fr. Pacwa describes the "big picture" of the Catholic Faith while explaining the perspective that Catholics ought to have in their relation to and with God. **CD of the Week Winner: Daniel & Carla Duletski!** You may pick a CD of your choice in the Lighthouse stands.

HUNGERING TO GROW A NEW TOMORROW This week's CRS Rice Bowl country is the island nation of Madagascar, where we are reminded of the important role farmers play in caring for God's creation. As we prepare our meals throughout the week, let us reflect on where our food comes from—and what role we can play in caring for our environment. Visit crsricebowl.org for more.

THOUGHT OF THE WEEK - A sorrow shared is but half a trouble, but a joy that's shared is a joy made double.

STEWARDSHIP-A WAY OF LIFE In today's reading, St. Paul says, "For his sake I have forfeited everything; I have accounted all else rubbish so that Christ may be my wealth." Does my stewardship suggest that I could say the same?

STEWARDSHIP THOUGHT In the treasure, some Christians and Catholics choose the biblical norm of giving 10 percent of their treasure. Some, because of circumstances, give more than that. Others may start at two, three or four percent and work upwards over several years.
