**GOING ON VACATION?** Please use Online Giving to catch up on offertory. Go to [www.thequeenofpeace.com](http://www.thequeenofpeace.com) and click on the Online Giving link-it's quick and easy! Your support during summer months helps sustain our parish.

Both the first reading and the Gospel today speak of hospitality and welcome. Our ministers of hospitality are a most visible example of using one's time and talents to welcome the people of God. But the Gospel assures us that all who give even just "a cup of cold water" to one of His lowliest ones will be rewarded. **Stewardship Thought:** Christ makes it quite clear that his disciples are called to be different. One of the ways he expects us to respond to his call to discipleship is through stewardship of our time, talent and treasure.

You can avoid excess taxes by giving certain appreciated securities, art or coin/stamp collections to Queen of Peace. This is a very attractive and substantial way to make a memorial gift.

This week is the **PETER'S PENCE COLLECTION**, which provides Pope Francis with the funds he needs to carry out his charitable works around the world. The proceeds benefit our brothers and sisters on the margins of society, including victims of war, oppression, and disasters. Join our Holy Father as a witness of charity to those who are suffering.

**RELIGIONLESS SPIRITUALITY: WHY WE NEED THE CHURCH,**

Renowned Scripture scholar and author, Dr. Tim Gray, provides a fascinating explanation of the importance of the visible Church and the centrality of God on Earth. He offers incredible insights that make clear the role of the Church as an essential part of God's plan for salvation, which are sure to help those who have left her, or who mistakenly claim to be "spiritual, but not religious."

*"Simply awesome! A truly informative talk on the importance of the Church."*

Known as one of the first televangelists, Venerable Fulton Sheen was an American Bishop known for his preaching and especially for his work on radio and later, television, from 1930 through 1968. He was loved and admired by people of all faiths as he tackled the important topics of that time. His message is just as relevant today and we are blessed to have recordings of those broadcasts which are aired weekly on Real Presence Radio. He combines humor with solid Catholic teaching on topics which continue to impact our lives and the world in which we live. Tune in Saturdays 8 pm CST on 101.9 FM.
